

Dhrumil Khalas

Toronto, Ontario, Canada | +1 (548) 922-0497 | dhrumil.khalas@gmail.com | [LinkedIn](#) | [GitHub](#)

Professional Summary

• Graduate student in the Master of Professional Studies in Analytics program at Northeastern University, with a concentration in Applied Machine Intelligence. Over 1.5 years of experience as a Full Stack Developer, skilled in applying machine learning, data analytics, and software engineering to build intelligent, data-driven solutions. Proficient in Python, SQL, and JavaScript, with hands-on experience using deep learning frameworks such as TensorFlow and PyTorch. Passionate about using AI to optimize performance, automate workflows, and enhance user experiences.

Education

Master of Professional Studies in Analytics 09/2025 – 04/2027 (Expected)
(Northeastern University, Toronto, Ontario, Canada.)

- Concentration in Applied Machine Intelligence.

Ontario College Graduate Certificate 09/2024 – 04/2025
(Conestoga College, Kitchener, Ontario, Canada.)

- Reporting Systems and Database Development (Program GPA: 3.85 / 4.0).

Bachelor of Science in Mathematics 06/2018 – 06/2021
(M. G. Science Institute, Gujarat University, Ahmedabad, Gujarat, India.)

- Major in Mathematics (CGPA: 7.89 / 10.0).

Technical and Professional Skills

- Languages: Python, Java, JavaScript, SQL, PL/SQL
- Machine Learning and AI: TensorFlow, PyTorch, Scikit-learn, Pandas, NumPy, Matplotlib, Seaborn
- Databases: PostgreSQL, MongoDB, Oracle DB
- Tools and Frameworks: Node.js, Express.js, React.js, Spring Boot, Power BI, AWS S3, Git, Postman, Swagger
- Concepts: Data Preprocessing, Feature Engineering, Model Evaluation, Neural Networks, RESTful APIs, Full-Stack Development
- Soft Skills: Analytical Thinking, Collaboration, Problem-Solving, Adaptability, Communication

Relevant Experience

Web Developer (Aeropres India Private Limited, Ahmedabad, Gujarat, India.) 01/2023 – 07/2024

- Engineered full-stack web applications that integrated RESTful APIs, React.js, and Node.js to enable secure data management and process automation; applied data analysis and visualization techniques to uncover usage patterns and improve system reliability by 15%.
- Collaborated with cross-functional teams to implement AI-ready architectures that enhanced scalability and optimized backend data flow.

Web Developer Intern (Aeropres India Private Limited, Ahmedabad, Gujarat, India.) 07/2022 – 12/2022

- Built interactive and responsive React.js interfaces that improved UI/UX across internal dashboards.
- Integrated API-based data pipelines to support real-time data retrieval and client insights.

Selected Projects

- Fine-Tuning Meta LLaMA 2 and Google Gemma LLMs: Implemented LoRA-based fine-tuning and 4-bit quantization to build optimized text generation models using Hugging Face and llama.cpp tools.
- Olympic Data Analysis with PostgreSQL: Executed SQL-based data transformations, joins, and window functions to uncover insights from multi-year datasets.
- Power BI Analytics Dashboards: Designed interactive dashboards for Sales and HR that transformed normalized data into clear, decision-ready visuals.
- Online Grocery Application (Spring Boot, React.js, MongoDB): Built a secure platform with payment integration and dynamic inventory management that showcased scalable backend design.

Coding Platform Profiles

- LeetCode: [LeetCode Profile](#) | Coding Ninjas: [Coding Ninjas Profile](#) | CodeChef: [CodeChef Profile](#) | HackerRank: [HackerRank Profile](#)

Certificates

- Data Science, Machine Learning, Deep Learning and NLP Bootcamp - Udemy (2024)
- Oracle Database 12c: SQL & Advanced SQL - LinkedIn Learning (2025)
- Power BI for Beginners - Simplilearn (2025)
- IBM DB0101EN: Databases and SQL for Data Science - Cognitive Class (2024)

Achievements

- Awarded the International Impact Award Scholarship - Northeastern University (2025), which covers 5% of tuition fees.
- Received a \$1,000 Course Registration Scholarship - Northeastern University (2025).
- Earned a 3% Merit-Based Scholarship by completing three Graduate Learning Enrichment (GLE) badge courses - Northeastern University (2025).
- Received the Graduation with Distinction Award - Conestoga College (2025).
